

Paralegal Studies

Certificate

DIVISION OF BUSINESS & PROFESSIONAL STUDIES

This program prepares students to work under the supervision of attorneys to prepare legal documents, investigate and research legal issues, interview clients and witnesses, and render practical procedural assistance in law related matters.

The paralegal curriculum provides a solid foundation in all aspects of the field including litigation, legal research, and writing. Through this program, students will have the opportunity to take elective courses in specialty areas of interest such as real estate, family law, business law, and trusts & wills.

Students also receive training in a variety of online research methods used in many law offices that provide the legal researcher with immediate access to cases, statutes, administrative regulations, and numerous other authorities.

Upon successful completion, the Certificate in [Paralegal Studies](#) is awarded.

Unauthorized Practice of Law Statement

A paralegal may work only under the supervision of an attorney and is not authorized to engage in the practice of law.
